

1 Introduction

The Freedom of Information Act 2000 gives a general right of access to all types of recorded information held by public authorities, sets out exemptions from that right, and places a number of obligations on public authorities. Any person who makes a request to a public authority for information must be informed whether the public authority holds that information and, subject to exemptions, supplied with that information.

Under the Act, each public authority is required to adopt and maintain a Publication Scheme. This scheme will provide the public with a structured listing of any information released, with authorities undertaking a commitment to make it available to all. The Scheme must set out how it intends to publish the different classes of information it makes available and whether it intends to charge for providing the information.

The scheme for publishing information (either in print or on the web) commits the authority:

- To proactively publish or otherwise make available to the public as a matter of routine, information, which is held by the authority and falls within the following classifications:
 - Class 1 – Who we are and what we do
 - Class 2 – What we spend and how we spend it
 - Class 3 – What our priorities are and how are we doing
 - Class 4 – How we make decisions
 - Class 5 – Our policies and procedures
 - Class 6 – Lists and registers
 - Class 7 – The services we offer
 - Contact information
- To specify the information that is held by the authority and falls within the classifications above.
- To review and update on a regular basis the information the authority makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.

2 Freedom of Information Publication Scheme

Exminster Parish Council's Publication Scheme is available in Appendix A. It gives details of how the information the Council holds can be obtained and sets out any costs associated with the provision of documents, if appropriate.

2.1 Obtaining Information and Information held

There are two ways to obtain the information:

1. Parish Council website <https://www.exminsterparishcouncil.gov.uk/>

The website holds the type of information which the Council routinely publishes e.g. minutes and agendas. The information you want may already be included in the publication scheme – so please check the documents on the website first.

2. Individual Written Request

If the information is not included on the website, you may send a written/e-mail request to:

Clerk to Exminster Parish Council, PO Box 30, Exeter, EX6 8XX

or

clerk@exminsterparishcouncil.gov.uk

Your request must include your name, address for correspondence, and a description of the information you require.

Within 20 working days of receipt of your written request the Council will:

- confirm to you whether it holds the information
- advise you if a fee will be charged
- provide you with the information (after any relevant fee has been paid) unless an exemption applies (see 'Exemptions' paragraph below).

2.2 Exemptions

Some information may not be provided by the Council. The Freedom of Information Act contains a number of exemptions that allow you to withhold information from a requester. In some cases it will allow you to refuse to confirm or deny whether you hold information.

Some exemptions relate to a particular type of information, for instance, information relating to government policy. Other exemptions are based on the harm that would arise or would be likely arise from disclosure, for example, if disclosure would be likely to prejudice a criminal investigation or prejudice someone's commercial interests.

Personal data about individuals is protected by the Data Protection Act 2018

2.3 Fees

The Act only allows the Council to charge for answering Freedom of Information requests in the following circumstances:

1. Disbursement costs such as printing, photocopying and postage; and
2. When estimated staff costs involved in locating and or compiling the information exceed £450. Under these circumstances, the Council can refuse the request on the grounds of cost, or charge the applicant £20 per hour, plus disbursements for the estimated work.

Freedom of Information Policy

For the majority of requests, or a series of requests from the same applicant within a 12-month period, it is expected that the charge for locating and compiling information will be less than £450 and therefore, except for disbursement costs, no reimbursement can be sought. However, where costs are estimated to exceed £450 (based on an hourly charge-out rate of £20), the Council can decide to:

- refuse the request; or
- comply with the request and charge for allowable costs as prescribed in the regulations; or
- comply with the request free of charge.

If the estimated cost of a request is more than £450, and it is decided to release the information and make a charge for the information then:

- A fee notice will be sent to the applicant requesting the appropriate fee.
- The request will not be answered until the fee has been received.
- If the actual cost of completing the request is more than the estimate, then the Council will incur the additional cost.
- Where the cost is less than the estimated cost then the difference will be refunded to the applicant.

For disbursements costs, the Council will charge a minimum of £1 admin fees plus 10p per sheet for photocopying and printing documents and recover the actual cost of postage or any other transmission costs from the applicant.

2.4 Further Help
