

1. Introduction

Exminster Parish Council acknowledges the importance of prudently investing the temporarily surplus funds held on behalf of the community.

This strategy has been prepared in accordance with the Guidance on Local Government Investments ('the Guidance'), issued under section 15(1)(a) of the Local Government Act 2003, effective from 1st April 2018.

The Guidance states:

- a) Where a Town or Parish Council expects its investments at any time during a financial year to exceed £100,000, the Guidance should apply in relation to that year.
- b) Where a Town or Parish Council expects its investments at any time during a financial year to exceed £10,000 but not £100,000, it should decide on the extent, if any, to which it would be reasonable to have regard to the Guidance in relation to that year.
- c) Where a Town or Parish Council expects its investments at any time during a financial year not to exceed £10,000, no part of the Guidance need be treated as applying in relation to that year.

The Council expects its investments during the 2022-23 financial year to exceed £100,000 and therefore has agreed to apply the Guidance as set out below.

2. Investment Objectives

The Council's investment priorities are:

- 1) the security of its reserves;
- 2) the liquidity of its investments; and
- 3) return.

The Council will aim to achieve the optimum return on its investments commensurate with proper levels of security and liquidity.

All investments will be made in sterling and, as a minimum, surplus funds will be aggregated in an interest-bearing bank account. Consideration will be given to whether the providers' investments are environmentally ethical and aid the Parish Council in reducing its carbon footprint.

The Department for Communities and Local Government maintains that borrowing of monies purely to invest, or to lend and make a return, is unlawful and this Council will not engage in such activity.

3. Security of Investments

Government guidance differentiates between specified investments and non-specified investments.

3.1 Specified Investments

Specified investments are those offering high security and high liquidity with a maturity of no more than one year. In addition, short-term sterling investments must be with bodies/institutions with “high credit ratings”.

For the prudent management of its treasury balances, maintaining sufficient levels of security and liquidity, the Council could use:

- UK banks and UK building societies;
- Public Bodies (including Local Authorities and Police Authorities);
- UK FCA regulated qualifying money market funds with a triple A rating.

3.2 Non-specified investments

Non-specified investments are usually for longer periods (i.e. more than one year) and with bodies that are not highly credit-rated.

No non-specified investments are included in the Investment Strategy for this Council as these investments are not acceptable due to their higher potential risk.

4. Liquidity of Investments

The Responsible Finance Officer in consultation with either the Finance and General Purposes (F&GP) Committee or Full Parish Council (as applicable) will determine the maximum periods for which funds may prudently be committed so as not to compromise liquidity.

5. Long Term Investments

Long term investments shall be defined as greater than one year. The Council will use the same criteria for assessing long term investment as identified above for specified investments

The Council does not currently hold any long-term investments.

6. Risk Assessment

The Parish Council’s reserves are covered by the Financial Services Compensation Scheme up to the deposit limits of the scheme and must therefore be carefully managed to mitigate the risk of losses.

The Council will only invest in institutions of “high credit quality” as set out in section 3.1 of this strategy. Investments will be spread over different providers where appropriate to minimise risk.

The Council will monitor the risk of loss on investments by reference to credit ratings. The Council should aim for ratings equivalent to the Fitch F1 (AAA) rating for short-term investments or Fitch A - for long term investments. The Council will also have regard for the general economic and political environment in which institutions operate.

The investment position will be reviewed monthly by the Responsible Financial Officer and reported to the Finance and General Purposes Committee (or Full Parish Council).

The Council does not employ, in-house or externally, any financial advisors but will rely on information which is publicly available.

7. Use of Investment Managers

If external investment managers are used, they will be contractually required to comply with this strategy.

8. Investment Approval

The F&GP Committee (if applicable) has the delegated authority to consider and make any short-term investments (maximum of twelve months), in accordance with the Annual Investment Strategy, subject to the prior approval of the investment provider by the Parish Council. All resolutions relating to investments will be noted in the minutes of the F&GP Committee meetings that are circulated to all councillors.

9. Investment Reports

The Responsible Finance Officer will prepare a report on investment activity (the Balance Sheet) for each F&GP Committee meeting (or to the second Full Parish Council meeting of the month). The report will be circulated to all councillors with the agenda and papers for the F&GP Committee meeting (or Full Parish Council meeting)

10. Review and Amendment of Regulations

The Investment Strategy will be reviewed annually. The Annual Strategy for the coming financial year will be prepared and reviewed by the F&GP Committee (if applicable) which will then make a recommendation to the Full Council.

The Council reserves the right to make variations to the Strategy at any time, subject to the approval of the Full Council. Any variations will be made available to the public.

11. Freedom of Information

In accordance with the Freedom of Information Act 2000, this Document will be posted on the Parish website and a hard copy will be available from the Parish Clerk.
